JOHNNY DC SAYS: LET THE MAIL BEGIN!

Hey there, I'm Johnny DC, the man with the mail, the kid with the comments! This is the place where you talk about all of the heroes and crazies in CARTOON NETWORK ACTION PACK and sometimes make up your own!

Dear Johnny DC,

Grey Matter is really smart and that is why he can stop criminals. That's why he is my favorite character. Something really weird happens in one of the episodes. Why does Dr. Animo take part of Ben's watch? My favorite part is when Ben turns into half Gray Matter/half Diamond Head.

Go Alien!
Daniel Gallo, age 6
Sonoma, California

Ah ha, that happened in "Dr. Animo and the Mutant Ray!" As you know, Ben's watch (the Omnitrix) is a freaky alien device that lets him change. Dr. Animo used part of it to make his own changing device (the Transmodulator) work.

My big sister is, like, "Why do you watch cartoons all the time?" and I say, "How else can I answer all of these hard questions?" –Johnny DC

DRAWINGS BY DANIEL GALLO

Dear Johnny DC,

The KIDS NEXT DOOR story "Operation T.O.O.T.H. F.A.I.R.Y." was a favorite in CARTOON NETWORK ACTION PACK issue #13. Poor Mr. Beetles got very little for the loss of his baby tooth. I wonder if he even could cash a one-cent check at the bank? Could he sell the check on eBay? It is officially signed by the Tooth Fairy.

I also noticed that Phil Moy was the inker for the K.N.D. one-page stories. I have met Phil two times at the Minnesota comic book convention. I hope to see him and his brother again in October.

Allen Klingelhoets
Barron, Wisconsin

Your photo of the Moy brothers appeared in CARTOON NETWORK BLOCK PARTY #35. I like your eBay idea, Allen! I wonder how much I can get for these lumps of coal Santa keeps leaving me?
— Johnny (on the 'bad' list) DC

DRAWING BY COLBY MARTIN, AGE 6

Dear Johnny DC,

I made up two superheroes. Both of them are girls. One is named Imagigirl and the other is Earthfire. Imagigirl's power is, whenever she thinks, her ideas come to life. She can also turn into things. Earthfire can control the seasons and elements.

Lily Thompson, age 8
Oklahoma City, Oklahoma

DRAWING BY LILY THOMPSON

Dear Johnny,

I love the movies, but comics are way better. I don't have a favorite because all your comics are good.

My character is Hornet. He fights crime; his powers are super strength, blue starbolts, and flying. Oh, and happy 4th of July!

Finn J.
Bozeman, Montana

And a Happy Thanksgiving to you, Finn! (You'd be surprised how many steps it can take to get your drawing ready to print on this page!)
